

**SCHOOL IMPROVEMENT AND DEVELOPMENT PLAN
September 2010 - August 2013**

PREMISES (2009 – 2012)

- To upgrade school premises to enhance teaching and learning and the social and physical well-being of our students.

PROGRAMMES (ongoing – 2013)

- To develop the three IB programmes in accordance with IB criteria and the school's philosophy.
- To ensure that the Foundation and Life Skills programmes provide statutory provision for their students, and offer opportunities for their future academic, economic and social well-being.

TECHNOLOGY (2010-12)

- To embed ICT into the curriculum at all levels.

OUTDOOR CLASSROOM (2010-12)

- To utilise our local environment more formally as a learning resource. In addition, we aim to extend learning through field trips and 'Travel and Learn' experiences.

PERSONALISATION OF LEARNING (2010 – 2013)

- To utilise our students' and colleagues' backgrounds, experiences, interests and personalities to inform our curricula and practices.

SELF EVALUATION (2010)

- To engage all stakeholders in reflective practices which provide evidence to inform school management and the SIEF document.
